

Introducing the New 16" x 16" Aspire Paver!

Larger pavers for quicker installation and versatile patterns

Key 16" x 16" Benefits

- Popular large profile paver
- Increases installation speed
- One paver interlocks with four grids at once
- Chip, crack and stain resistant
- Made from up to 95% recycled materials

Patented Grid System Benefits

- Quick & easy installation with less labor
- Perfect alignment every time
- Enables many unique patterns and designs
- Keeps pavers from sinking and heaving

Colors and Sizes

Aspire Pavers are available in 4 sizes (4"x4", 4"x8", 8"x8", and 16"x16") and 13 colors
